

# The AI-Powered Open Travel Marketplace

One platform where companies book directly with airlines, hotels, and rental agencies – with full visibility, policy control, and 24/7 support.

### Marketplace Choice

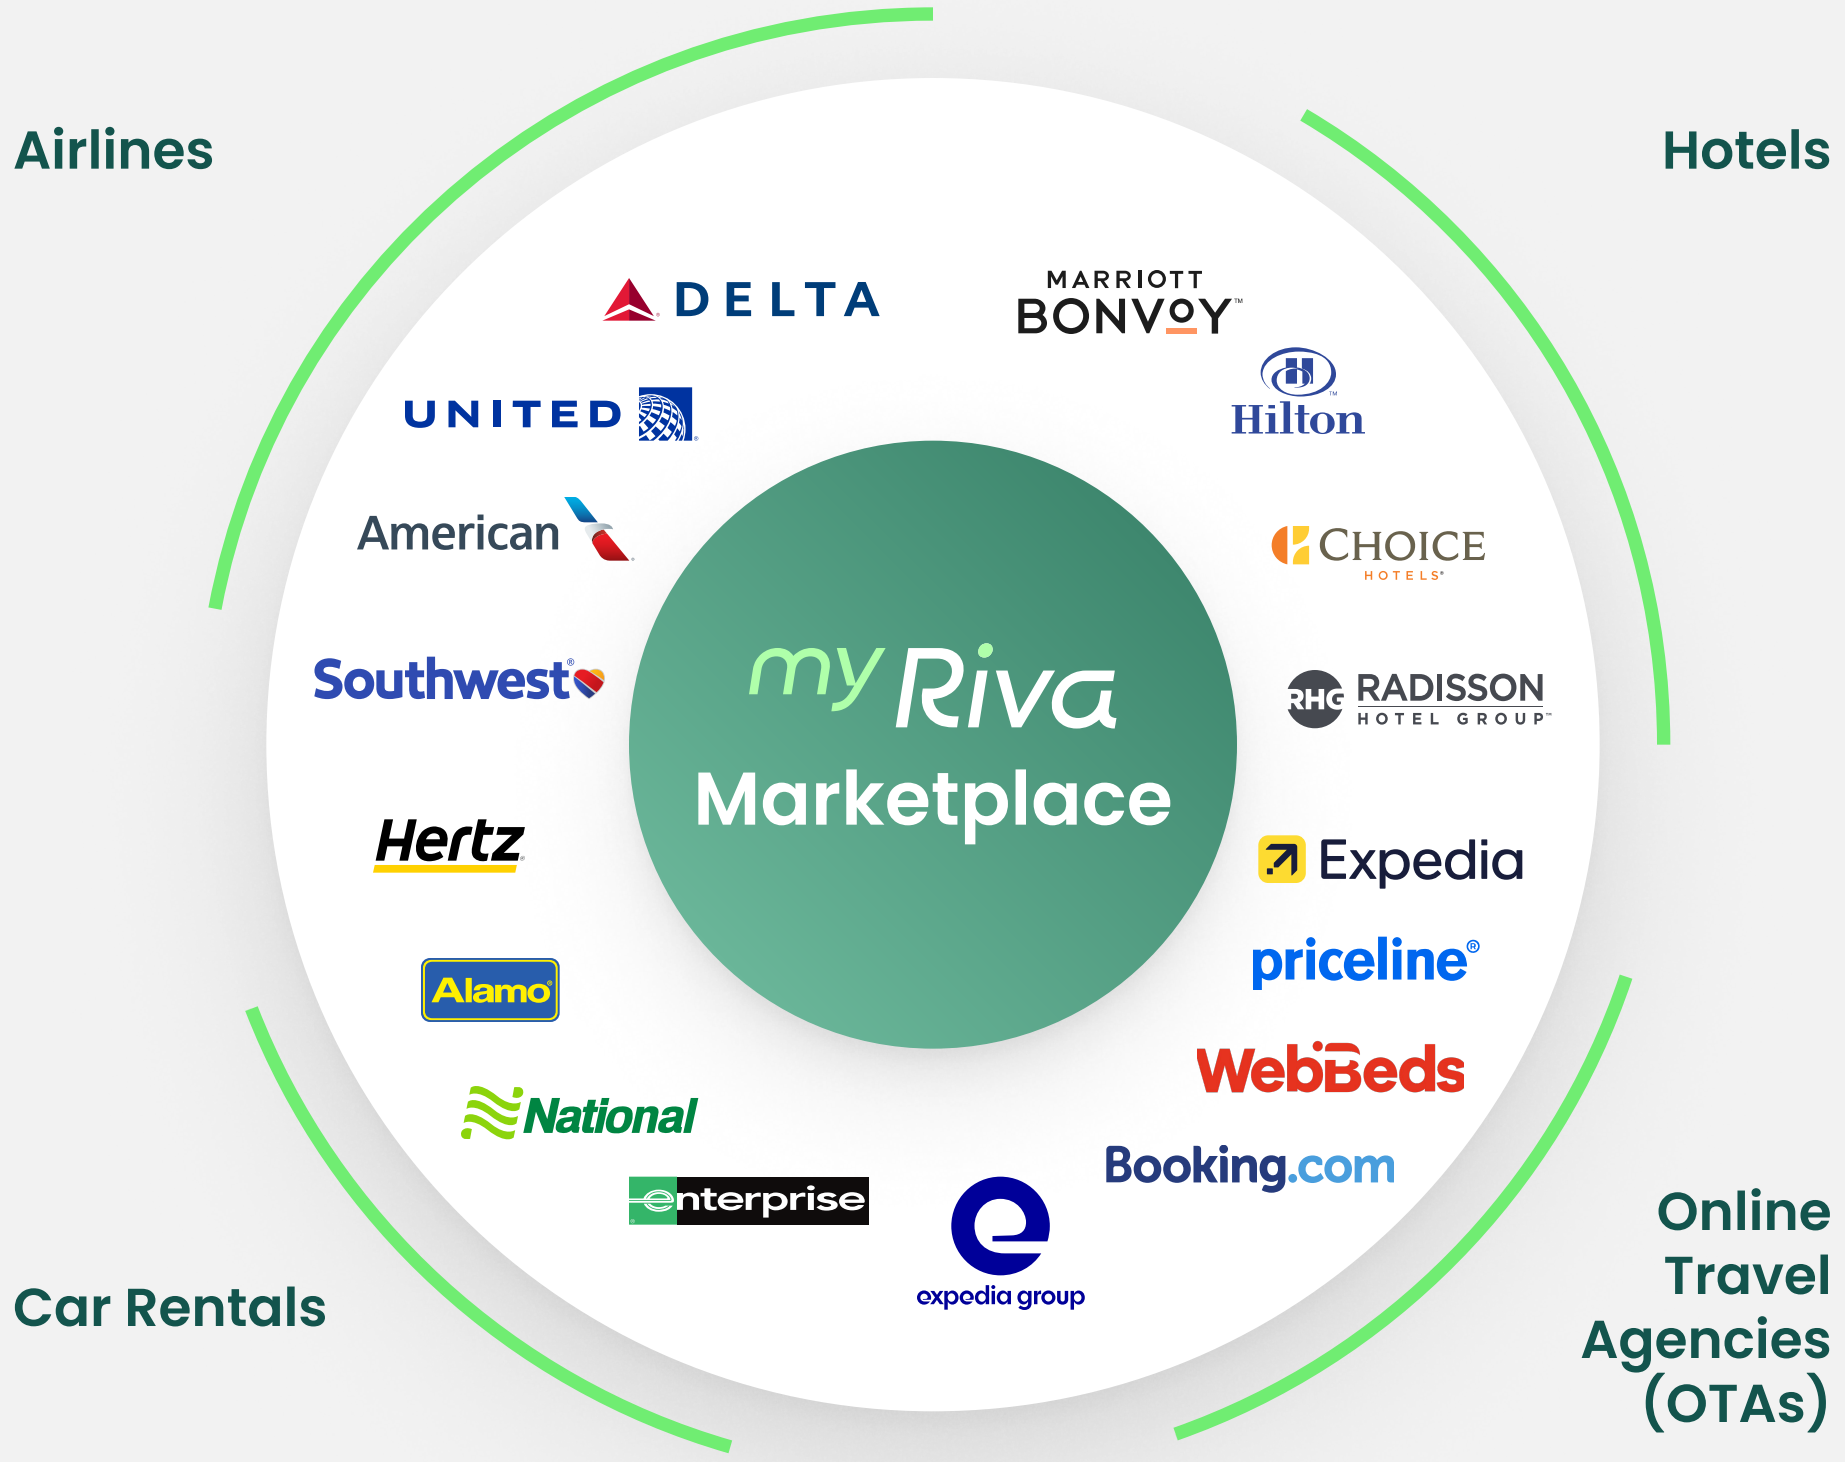

Book directly with suppliers or through agency partners - all in one place with real-time inventory and full loyalty accrual.

### Policy & Compliance

Automatically apply travel rules across your entire organization. Enforce budgets, preferred brands, class-of-service rules, per diems, and more.

### Traveler Experience

A unified platform for flights, hotels, and cars. One profile, one itinerary, instant updates, and seamless mobile + web sync.

### 24/7 TravelerCare

Always-on U.S.-based support. No outsourcing. Real agents ready to help travelers anytime, anywhere.

### Duty of Care

Live traveler monitoring, risk alerts, and location intelligence to keep employees safe on the road.

### Operational Intelligence

Modern analytics, leakage detection, benchmarking, dashboards, and spend insights that help companies travel smarter.

### myVacations Marketplace

Access discounted leisure hotels, cruises, and curated experiences in the same platform your employees already use.
